

LS Harness Connection

PARTS AND WIRING SOLUTIONS FOR YOUR LS SWAP

Dealer Application

This is an application for a LS Harness Connection dealer discount promotion code. Approval is subject to verification of your business, need, and specific circumstances and may be revoked/closed at any time if found to be misused or abused. Your discount code is intended to be used to purchase included product for shop use and distribution and should not be shared with another individual or shop.

It is the expectation of dealers to promote and use LS Harness Connection products whenever possible via an incentive-based dealer program. Dealers are afforded discounted rates in exchange for their promotion and use of product. Accounts holding dealer status will be required to maintain a minimum amount of three (3) harness orders quarterly to remain active. Unused accounts may be subject to termination at any time.
